USA – INTERNS

Become a sponsor!

Support USA-INTERNS
the German -American Internship Program

The Sponsorship Program of the Steuben-Schurz-Society supports the USA-Interns Program for the exchange of students from Germany and the USA and thus the bilateral friendship of our countries.

As a sponsor you personally contribute to the cultural exchange of young students between Germany and the USA by making this program possible. You become a sponsor by providing a professional internship position or a financial contribution.

With only a yearly contribution starting at 300 EUR you can participate in the Sponsorship Program. Of course, you can also personally meet the student you sponsor.

For every sponsorship you will receive a contribution receipt that you can use for tax purposes. If you wish, you can also receive a sponsorship certificate. A sponsorship can also be purchased as a great gift you can give to another person in support of bilateral friendship.
